TERMS & CONDITIONS

- Lease example: Gemco DLH40B - Offer price £2995. 5 Year lease plan: Advance rental £68.90 + VAT, followed by 59 payments of £68.90 + VAT, weekly equivalent £15.90 + VAT. Set up and document fees apply, please ask for details.
- All lease rental prices shown are weekly equivalents assuming advance rental, equivalent to 1 month's rental and all subsequent rentals payable monthly.
- Lease figures may vary according to status and are for illustration purposes only.
- All lease transactions are subject to a documentation fee.
- All prices shown are subject to VAT and subject to status.
- All offers are subject to availability and applicable to UK mainland only, certain postcodes may incur an additional delivery charge.
- All offers available until December 31st 2025, prices and specifications subject to change without notice.
- E and OE.
- Any additional costs incurred concerning LOLER, PUWER and BS7980 regulations are the customer's responsibility.
- Installation is to a prepared site, excluding electrical installation. Please make sure your site meets the requirements for the equipment purchased, such as floor quality, concrete depth, power supply and access. If in doubt, please contact your local branch or the supplier.

THERMOBILE: The leaders in efficient Workshop Heating

Manual Ignition Bio Oil Heaters with Flue Kit

- Fast return on investment
- Efficient, virtually soot-free combustion
- Burns used oil, diesel or a combination
- Built-in fuel tank, filters & fuel pump
- Flame failure protection
- Overflow protection for burner dish
- Overheat protection (except Bio B)
- Includes complete flue kit (roof seal, fitting kit & two wall bands)
- Bio Energy 2 & Bio Energy 3 Feature a burner draw system for easier lighting and cleaning plus a heat exchanger for higher efficiency

FLUE KIT INCLUDED

Model	Heat Capacity Min (Btu/hr)	Heat Capacity Max (Btu/hr)	Consumption (min)	Consumption (max)	Fuel Tank Capacity	Fan Capacity	Offer Price	5 year lease pw
Bio Energy B	68,000	102,000	2 litres/hr	3 litres/hr	50 litres	Radiant Heat Only	£1,730.00	£9.18

per week. 5 Year Term

These heaters also operate on these fuels:

- Bio Diesel Oil
- HVO
- Processed Fuel Oil (PFO)
- Rapeseed, linseed & some Vegetable oils

Manual ignition Bio Oil heaters must be connected to a suitable flue system (min height of 1m above roof apex & 6m above ground level). A full range of flue accessories is available.

Stainless Steel Flue Kit INCLUDED:

- Gives approx. 5.2m (17ft) ground clearance
- 4 x 1m flue pipes
- 1 x Terminal
- 2 x Adjustable wall fixing brackets
- 1 x High temperature silicone rubber roof seal & fixing kit for profiled or corrugated roof & cladding
- 1 Tee-Piece (flue to heater)
- Additional 1m flue pipe available

No space for a bulk fuel tank? PROHEAT is your solution!

PROHEAT Oil Fired Cabinet with built-in Fuel Tank

- Use with 28 second fuel (paraffin/kerosene) or 35 second fuel (heating oil/diesel)
- Low-noise radial fan
- Proheat 30 & 60: 240V Proheat 100: 400V
- Equipped with thermostat
- Capacities of 30, 64 and 97kW net
- 4-Sided adjustable outlet opening guarantees equal air distribution
- Summer/winter circuit for heating/ventilation

BOOSTER RESCUE PACKS

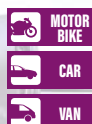

ITEM NO: 03936

SIP RESCUE PAC 1600 AGM BOOSTER

- 1600A boost peak rate
- 700A cranking rate (12v)
- 12v DC power supply powers devices directly from booster
- Purpose-designed, proven and rechargeable AGM technology
- LED charge rate indication for accurate charging state
- Lightweight and compact design for easy portability
- Heavy-duty plastic casing for increased durability

OFFER PRICE

£179.99

ITEM NO: 03937

SIP RESCUE PAC 3000 AGM BOOSTER

- 3000A boost peak rate
- 1200A cranking rate (12v)
- 1500A boost peak rate
- 600A cranking rate (24v)
- 2x 12v DC power supply powers devices directly from booster
- Purpose-designed, proven and rechargeable AGM technology
- Reverse polarity alarm and auto circuit overload protection
- LED charge rate indication for accurate charging state

OFFER PRICE

£309.99

ELECTRIC FAN HEATER

ITEM NO: 09128

SIP FIREBALL TURBOFAN 2000 ELECTRIC FAN HEATER

- 6,820BTU/hr (2kW) powerful heating output
- Positive Temperature Coefficient (PTC) element
- Heats without warming the external heater casing
- Integrated thermostat for flexible temperature control
- Compact and lightweight design for outstanding portability
- Powder-coated finish for added durability

BATTERY SUPPORT UNITS

BATTERY SUPPORT 30A

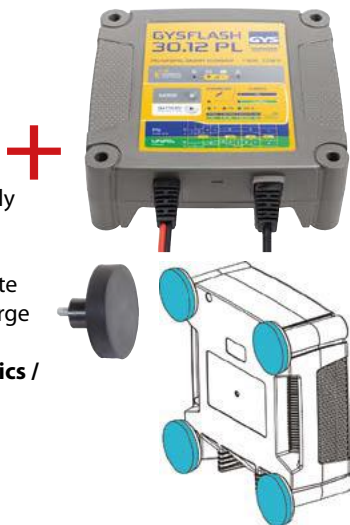

FREE MAGNETIC MOUNTING PACK

GYSFLASH 30.12 PL

ref U74488

30A battery support unit

- Suitable for all 12V lead-acid & lithium batteries
- Charges all types of batteries safely
- Recovers deeply discharged batteries (SOS Recovery)
- UVP Wake up function to reactivate a battery following a deep discharge
- Showroom support
- **Support for light duty diagnostics / Key on engine off work**

List Price £300.00

SPECIAL OFFER PRICE £199.00

BATTERY SUPPORT 100A

COMES WITH A **FREE** OF CHARGE STOP/START BATTERY TESTER

GYSFLASH 100 FV + DBT500

ref U29001

Advanced 100A battery support unit

- Suitable for all 12V lead-acid & lithium batteries
- Charging and battery support for key on, engine off work
- Multi-step charging curves
- Advanced protection
- **Perfect for diagnostic support on medium to large vehicles**

List Price £ 892.00

SPECIAL OFFER PRICE £749.00

BATTERY SUPPORT 50A

GYSFLASH 50.12 FV

ref 026056

Advanced 50A battery support unit

- Suitable for all 12V lead-acid & lithium batteries
- Supports diagnostic power requirements up to 50 A
- Unattended charging of 12 V batteries from 10 to 600 Ah
- Battery change mode
- Preserves battery health for showroom vehicles in dealerships
- Power Supply mode for a stable power - adjustable voltage and current
- **Perfect for ADAS calibrations**

List Price £717.00

SPECIAL OFFER PRICE £621.00

BATTERY SUPPORT 120A TROLLEY BUNDLE

GYSFLASH 121.12 CNT FV

ref U24600

Powerful, connected 120A battery support unit

- Suitable for all 12V lead-acid & lithium batteries
- Connected technology for updates and traceability
- Safe for advanced diagnostic applications
- Supplied with 5m cables and XL trolley
- **Ideal for professional diagnostic support on all 12V vehicles**

List Price £1,435.00

SPECIAL OFFER PRICE £1,149.00
5YR LEASE £6.10 PW

MULTICHARGE STATION

MULTICHARGE STATION - CHARGES UP TO 4 X 250AH BATTERIES SIMULTANEOUSLY

MULTICHARGE STATION 4x10A / Pb-Li

ref 083578

- Multi-output portable charging station, designed to charge up to 4 x 250AH 6/12V batteries at a time
- Compatible with all lead-acid and lithium batteries
- Features fully automated charging curves to maximise battery life and performance whilst protecting all on-board vehicle electronics
- Supplied with 4 x 1.5m cables
- **Perfect for all garages**

List Price £313.00

SPECIAL OFFER PRICE £249.00

BOOSTER

ULTRA LIGHT AND POWERFUL 12/24V SUPER CAPACITOR BOOST PACK

STARTRONIC SUPERCAP 12/24V

ref: 082816

Batteryless 12/24V booster pack

- Rated for over 10,000 starts
- No maintenance required
- Perfect for all garages and recovery firms
- 1800A (12V) 1500A (24V)
- **Fully charges in 2-3min from a running vehicle**
- **Perfect for all garages LV/LCV or for use in recoveries**

List Price £692.00

SPECIAL OFFER PRICE £599.00

INDUCTION HEATING

HEAT INDUCTOR 1200W

POWERDUCTION 10R

ref 068643

Portable 1200W induction heater

- Uses standard 3-pin plug
- Heats M10 bolt in 1 second
- Comes with 5 inductors and case
- Inverter power compatible
- **Perfect for light-duty use in garages and mobile mechanics**

List Price £649.00

SPECIAL OFFER PRICE £499.00

WATER COOLED HEAT INDUCTOR 3700W

POWERDUCTION 37LG

ref U56992

Powerful 3.7kW induction heater

- Uses standard 3-pin plug
- Heats M10 nut in seconds
- Faster, safer, more precise than flame
- Safe to use around rubber, wire looms, carpets etc.
- **Professional use in LV garages and fast-fit centres**

DEMONSTRATIONS AVAILABLE UPON REQUEST

Schumacher® PBI1812 12V Booster, 700CA

Schumacher jump starter for cars, vans, and campers. Features LED indicators, reverse polarity alarm, 12V outlet, and 300A fuse.

- On/off switch prevents clamp shorting and battery drain
- Reverse polarity alarm for added safety
- 12V outlet doubles as memory saver
- Colour LEDs show battery level and charge status
- 300A in-line fuse and anti-spike protection
- Compact, durable case with fully insulated cables

£184.95

Stock Code. 13687

BUNKER® 13 Drawer Combined Roller Cabinet and Tool Chest, 52"

52" BUNKER® roller cabinet and tool chest with 13 soft-close drawers, cable access, gas struts, locking castors, and steel handle.

- BUNKER® units include 12-month warranty (extendable to 10 years)
- High-quality steel construction
- Soft-close drawers with protective foam lining
- Gas strut-assisted lid for smooth opening
- Integral lock with two keys for security
- Dimensions: W 1310 x H 1572 x D 458mm

£1,149.95

Stock Code. 24249
5YR LEASE £6.10pw

Draper HI-TORQ® Metric Socket and Bit Set, 1/4", 3/8" and 1/2" Sq. Dr. (219 Piece)

Comprehensive chrome vanadium socket set with HI-TORQ® sockets, ratchets, spanners, bits, and accessories, all in a durable storage case.

- Chrome vanadium steel with satin finish
- 1/4", 3/8", 1/2" Sq. Dr. HI-TORQ® sockets and deep sockets
- 72-tooth quick-release ratchets and soft grip spinner handle
- Includes socket bits, hex bits, spanners, extensions, joints, spark plug sockets
- Supplied in sturdy storage case

£144.95

Stock Code. 24232

Draper Expert 3-In-1 Multi-Process Welder Dti, 200A

Versatile 3-in-1 MIG/MMA/TIG gas/gasless welder with IGBT inverter, compact, efficient, lightweight, and portable with carry handle.

- Advanced IGBT inverter technology for efficient welding
- 3-in-1 MIG/MMA/TIG functionality
- Supplied with MIG torch, TIG torch, and electrode holder
- Synergic wire feed for precise control
- Easy-to-read digital display for accurate settings and operation

£399.95

Stock Code. 70043

Draper Expert Turbo/EVAP Smoke Diagnostic Machine Pipe Vacuum Leak Detector

Compact smoke diagnostic machine for turbo/EVAP systems with variable pressure, safety cut-off, 12V connection, and full accessory kit.

- Switches easily between turbo and EVAP modes
- Variable pressure regulator for precise control
- Five-minute duty cycle for efficient operation
- Operates at 0.75psi (EVAP) and 20psi (turbo)
- Supplied in a carry case with full accessory kit

£499.95

Stock Code. 94079

D20 20V Grease Gun Kit, 1 x 2.0Ah Battery, 1 x Charger (3 Piece)

D20 cordless grease gun kit with 2.0Ah battery, LCD display, dual speed, LED light, 10,000psi output, 42" hose, and tool bag.

- Compatible with D20 multi-tool battery system
- LCD display shows battery level, mode, and grease output (g/oz)
- High/low speed modes, LED worklight, and error alarm
- Uses bulk or 400g/450g cartridges
- Chrome canister, reinforced hose, high-pressure nipple
- Up to 140g/min flow rate
- Includes charger, 2.0Ah battery, and canvas tool bag

£189.95

Stock Code. 03359

Draper Expert 12V LCD Brake Fluid Boiling Point Tester

Brake fluid tester for Dot 3, 4, 5.1. Measures boiling point and fluid temperature, 12V powered, LCD display, storage case.

- Illuminated LCD display for clear readings
- Built-in temperature protection for safe use
- Powered by 12V car battery – no charging needed
- Measures other fluid temperatures with thermocouple
- Includes syringe, flexible tube, plastic beaker
- Supplied in a sturdy plastic storage case

£199.95

Stock Code. 23708

Draper Expert Professional Low Profile Garage Trolley Jack, 4 Tonne

Low-entry trolley jack with twin piston pump, 515mm lift, EVA foam handle, rubber saddle pad, safety valve, and two-piece handle.

- 107–515mm lifting range
- Twin piston pump reaches max height in 6.5 pumps
- Low-profile design for reduced clearance vehicles
- EVA foam and knurled handle for protection and grip
- Rubber saddle pad protects vehicle underside
- Safety valve and rear swivelling castors for safe, smooth operation

£219.95

Stock Code. 24276

Engine Crane, 1 Tonne

1 Tonne engine crane with single piston pump, 4-position jib, foldable legs, overload valves, castor wheels, and sling compatibility.

- Three pre-set jib positions for versatile lifting
- Single piston hydraulic pump for quick operation
- Folding design saves storage space
- Six durable castor wheels for smooth mobility
- Twin overload valves for added safety
- Compatible with various load slings and levellers

£249.95

Stock Code. 93509

Schumacher® GIGA 12/24V Lithium Booster, 2000/1000CA

Schumacher Giga Lithium jump starter for 12V/24V vehicles with memory saver, override mode, full safety protection, and carry handle.

- 2 x 4-cell LiFePO4 lithium batteries (100% safe)
- Microprocessor controlled with LCD screen
- Memory saver mode retains vehicle settings
- Override mode allows starting without a battery
- Full protection: overcharge, discharge, temperature, polarity, short circuit, voltage error, overload
- Lightweight with integrated carry handle

£799.95

Stock Code. 13757

Jet Force Infrared Diesel and Kerosene Space Heater, 60,000 BTU/17kW

Efficient infrared heater with thermostatic control, clean burning, 60,000 BTU/hr output, 12L tank for 9hrs runtime, uses diesel or kerosene.

- Ideal for well-ventilated spaces
- Photocell safety device and overheat protection for safe operation
- Compatible with kerosene and diesel fuels
- Requires Grade 2 or higher kerosene for optimal performance

£419.95

Stock Code. 17111

230V Diesel and Kerosene Space Heater, 102,300 BTU/30kW

High-efficiency diesel/kerosene heater with 33L tank, 10-hour runtime, steel frame, wheels, LED indicator, for open/semi-open spaces.

- High-efficiency compressor pump for fast, even heating
- Excellent fuel economy with 33L tank
- Durable steel body with gloss black powder-coated finish
- Easy to use with wheeled steel frame for mobility
- Ideal for open/semi-open workshops, garages, sites
- Uses Grade 2 or higher kerosene

SENSOR & BRAKE LINE LOCKING WRENCH SET - 8-PIECE SLIDE-OVER DESIGN

This innovative 8-piece sensor socket set is designed specifically for modern exhaust and differential pressure sensors featuring a 90° curved steel cable directly after the hex. Traditional sensor tools are incompatible due to the obstructive cable path and connector plugs, making this specialised set an essential solution for technicians.

- For exhaust temperature and differential pressure sensors with integrated 90° cable bends.
- 3/8" drive base accepts modular socket inserts.
- Includes sizes: 11 / 12 / 13 / 14 / 16 / 17 / 19 mm.
- Enables safe, damage-free removal and installation in difficult-to-reach sensor locations.

£345.40
 Part No: 60525400

ADJUSTABLE GEARBOX SUPPORT

A versatile and secure solution for gearbox handling, this universal transmission jack attachment is designed to support a wide range of gearboxes, aiding both removal and refitting tasks.

- Adjustable cradle with 4-way tilt to align precisely with the gearbox.
- Rubber-coated feet for safe, non-slip contact and adaptable support.
- Integrated ratchet strap keeps the gearbox firmly secured during operation.
- Compatible with transmission jack shaft sizes: 30 mm, 35 mm, and 40 mm.
- Maximum load capacity: 150 kg.

£389.00
 Part No: 87600100

UNIVERSAL UNDER VEHICLE ENGINE & GEARBOX SUPPORT

Under-car beam secures engine/gearbox with hook-strap; front scissor jack sets height, rear legs adjust in height/width. If the subframe is to be removed, this under engine support can be suspended using support beam 61135905 (sold separately).

- Universal design fits most vehicle types.
- One-person operation for ease of use.
- Controlled height adjustment via front scissor jack.
- Compatible with vehicle lifts – maintains access while in use.

Specifications:

- Max. carrying capacity: 250 kg
- Length: 1050 mm
- Height: 100 mm
- Max. lifting height (scissor jack): 260 mm
- Weight: 10 kg

£427.50
 Part No: 61136500

UNDER ENGINE SUPPORT FIXING BEAM (FOR USE WHEN SUBFRAME IS REMOVED)

Supplementary fixing set designed for use with engine and gearbox supports 61136500 or 61135910 when the vehicle's subframe has been removed.

- Enables secure attachment of the support system to the vehicle in the absence of the subframe.
- Chain system bolts directly to the chassis using the vehicle's existing subframe fixing points.
- Engine support beam is suspended via chains and secured with a fixing bolt for safe and stable load distribution.
- Ideal for service work requiring subframe removal while maintaining engine and gearbox positioning.

£284.20
 Part No: 61135905

WORKSHOP 300 COMPACT, LIQUID-COOLED INDUCTION HEATING UNIT

The WORKSHOP 300 is a compact, liquid-cooled induction heating unit engineered for continuous use in demanding automotive and industrial workshop environments. Built into a stable, wheeled chassis, it eliminates the need for a separate trolley and offers high mobility and ease of use across the workshop.

Output power of 3.9 kW delivered through a 230V supply and standard 3-pin plug for convenient, plug-and-play operation. Liquid-cooled design includes 6 litres of coolant circulated through a radiator and fan system to manage thermal loads on the heating head, supplemented by dual cooling fans for the internal circuitry.

3 Metre heating hose offers extended reach without repositioning the main unit – ideal for work on larger vehicles or when access is restricted. Replaceable heating magnet tips significantly reduce long-term running costs by avoiding full head replacements in case of wear or damage. (1x Spare magnet tip included). Also included, Stainless Steel Probe Arm for heating head and cable storage. Unit supplied ready to use.

Optional Accessories (available separately):

- Large straight heating head – Art. No. 95353025
- Small 22 mm straight heating head (ideal for locking wheel nuts) – Art. No. 95353020

Specifications:

- Output Power: 3.9 kW
- Power Supply: 230 V
- Mains Frequency: 50 / 60 Hz
- Max. Current Consumption: 16 A
- Cooling System: Liquid-cooled
- Heating Hose Length: 3.0 m
- Unit Weight: 39 kg
- Article No.: 95353001

£3395.00
 Part No: 95353001

PRICE INCLUDES DELIVERY
 5YR LEASE £18.20 PW

SUSPENSION ARM LEVER TOOL - COMPLETE WITH RATCHETING HANDLE (UNIVERSAL)

Universal one-person lever hooks under the chassis on a chain, bracing securely against the lower suspension arm. The ratcheting handle applies steady, adjustable pull to drop or lift the arm quickly and safely for bush, joint or strut work, replacing awkward pry bars and protecting nearby components.

62016715 Includes our **62016710** Ratchet Handle for ease of use and accurate adjustment of the suspension arm, also available individually at **£86.30**

- Enables fast and safe one-person operation.
- Complete with robust ratcheting handle for ease of use.
- Maintains full control when lowering or raising the arm.
- Prevents damage to other components – no need for pry bars.
- Ideal for suspension work where precision is key.

£229.00
Part No: 62016715

MINI AIR NEEDLE SCALER

Compact and efficient, this Mini Air Needle Scaler is designed for precise surface preparation in tight areas. Equipped with 13 fine 1.5mm needles and an integrated air regulator, it delivers controlled performance for demanding cleaning tasks. Ideal for removing rust, corrosion, and stubborn debris from brake carriers, wheel bearing housings, ABS mounts, and other metal surfaces, it's a versatile addition to any workshop.

- 13 x 1.5mm needles for fine, detailed work.
- Integrated air regulator for consistent output.
- Compact size, 235mm long x 25mm diameter.
- Lightweight construction for ease of use in confined spaces.
- Replacement needle sets available (Part No. 90444110).

Specifications:

- Speed: 3000 blows/min
- Air inlet: 1/4"
- Air consumption: 1.0 l/min
- Working pressure: 6.2 bar
- Weight: 0.5kg

£164.50
Part No: 90444100

MOBILE DIAGNOSTIC SERVICE STATION

A premium, multifunctional diagnostic trolley designed for efficient, organised storage of all essential vehicle diagnostic equipment. Whether in the workshop or on-site, this mobile station ensures everything you need is within easy reach, eliminating unnecessary trips back and forth.

- Built with technician comfort and practicality in mind, the station features an upper rotating plate for optimal notebook positioning, and a durable, acid-resistant work surface.
- 360° Rotatable and height-adjustable notebook swivel plate for ergonomic use.
- Shelf with 20° tilt adjustment for convenient tool or device access.
- Integrated device port with tensioning strap – ideal for securing chargers or compact diagnostic tools.
- Dual cable hooks (left and right) for tidy cable management.
- Lockable drawer for secure storage of sensitive diagnostic equipment.
- Acid-resistant top surface – perfect for batteries, leak detection units, or other service tools.

£376.90
Part No: 85100500

RETRACTABLE REELS FOR POWER, WATER, AND AIR

Keep your workshop, garage or site tidy, organised and safe with our range of automatic retractable reels. Each reel features durable housing, smooth auto-rewind mechanisms and a sturdy wall-mounting bracket – ideal for everyday professional or domestic use.

829-WW**£138.95****Retractable Power Cable Reel – 15 Metres**

Total cable length: 15m (13.5m working + 1.5m lead)
Fitted for AC250V and 16A – suitable for most electrical tools
UK 3-pin plug and socket
Cable locks at any length
Wall-mountable bracket for easy installation

6151-WW**£134.95****Retractable Water Hose Reel – 20 Metres**

20m outlet hose with 2m inlet hose
Flexible ½" PVC hose – rated to 120 PSI
Smooth rewind with built-in hose stopper
Neat storage for hosepipe ends
Ideal for outdoor use

3976-WW**£144.95****Retractable Air Hose Reel – 15 Metres**

15m hose (13.5m working + 1.5m feed)
Operates at 150 PSI with ¾" BSPT connection
Auto-retractable PVC hose with anti-jam mechanism
Suitable for compressed air tools

3978-WW**£94.95****Retractable Air Hose Reel – 10 Metres**

10m hose with auto rewind
5/16" flexible hose – supports up to 120 PSI
Polypropylene casing for durability
Ideal for busy professional environments

HIGH PRESSURE BRAKE BLEEDER

- Developed for OEM customers
- 12V powered brake bleeder
- Adjustable pressure: 0 to 3.5 bar (50psi)
- Suitable for electro-hydraulic and conventional braking systems
- Meets higher pressure requirements
- Adjustable for low-pressure use
- Always start on "LOW" for safety

2000 AMP ULTRASAFE LITHIUM JUMP STARTER

- Lithium starter: 2,000 Amps, 40 jumps per charge.
- Safe design: Spark-proof, reverse polarity protection.
- 400 lumen LED: 7 modes, including SOS.
- Charge devices: Up to 6 phone charges.
- Powers 12V devices: Inflators, inverters, etc.
- For petrol engines up to 8L & diesel up to 6L: Cars, SUVs, trucks, boats, RVs.

**£199.95**

NOCO Part No. GB70

PRO 3000 AMP LITHIUM JUMP STARTER

- Powerful lithium starter: 3,000 Amps for up to 80 jumps per charge.
- Safe & foolproof: Spark-proof and reverse polarity protected.
- 500 lumen LED light: 7 modes including SOS & strobe.
- Powers 12V devices: Tyre inflators, inverters, etc.
- Charges devices on-the-go: Smartphones, tablets, e-watches - up to 6 phone charges.
- Suitable for petrol engines up to 9L and diesel up to 7L: Cars, SUVs, trucks, boats, RVs.

**£269.95**

NOCO Part No. GB150

BOOST X 12V 4250 AMP JUMP STARTER

- Extreme 4250 Amp jump starter for powerful engine starts; part of the all-new Extreme Series.
- Fast recharges with USB-C technology - full charge in 2.7 hours or 5 minutes to jump start.
- 60-watt USB-C power bank for charging phones, laptops, and more.
- Enhanced UltraSafe technology with improved thermal efficiency and power management.
- Versatile for all vehicle types up to 10L petrol and 8L diesel engines.

**£339.95**

NOCO Part No. GBX155

5-AMP BATTERY CHARGER, BATTERY MAINTAINER, AND BATTERY DESULFATOR

- GENIUS5: More compact and powerful than G3500.
- Versatile for 6V/12V batteries, including lithium-ion.
- Precision charging with ambient temperature sensing.
- Charges batteries from 1-volt; Force Mode for zero volts.
- Easy setup and automatic operation.
- Restores and extends battery life.
- Compatible with a wide array of vehicles.

**£84.95**

NOCO Part No. GENIUS5

10 AMP BATTERY CHARGER, BATTERY MAINTAINER, AND BATTERY DESULFATOR

- For 6V & 12V lead-acid batteries, including flooded, gel, AGM, maintenance-free and lithium-ion.
- Integrated sensor detects the ambient temperature and alters the charge to eliminate over and under-charging.
- Charges batteries as low as 1 volt. New Force Mode allows manual charging of dead batteries down to 0 volts.
- Detects sulfation and acid stratification and restores performance for stronger starts and extends battery life.

**£124.95**

MEET THE THINKTOOL 394 AND THINKTOOL 399 - POWERED BY AI.

The ThinkTool Expert 394 and 399 put the power of AI right at your fingertips. With built-in Thinkcar AI, these advanced diagnostic tablets make fault-finding quicker, smarter, and easier than ever. The AI automatically scans the whole vehicle, explains fault codes in plain language, and even guides you step-by-step through repairs for many vehicle systems, with coverage improving almost daily as AI gathers information from users. Call your local branch to arrange your AI diagnostic demonstration.

The Expert 394 is a rugged, high-performance tool with a crystal-clear 12" screen, perfect for fast, everyday diagnostics. For workshops that want even more, the Expert 399 takes things further with a larger 14" screen, dual-vehicle diagnostics, and wider coverage for passenger, EV, and heavy-duty vehicles. Whichever you choose, you'll get smarter technology, faster answers, and more efficient repairs, all backed by Thinkcar's cutting-edge AI.

TOPDON**TOPDON****T-Ninja Pro****Unlock Your Potential**

The T-Ninja Pro is an automotive key programmer tool developed by TOPDON Technology. As an upgrade to the T-Ninja1000, the T-Ninja Pro boasts a variety of functions, including Number of Keys, PIN Reading, Key Learning, Remote Control Learning, Delete Keys, and All Keys Lost.

Supporting full OBD2 functions and 8 maintenance services, this key programmer also works as an OBD2 scanner and helps technicians perform essential diagnoses on cars.

**£395****TP48****TPMS Tool**

The TOPDON TP48 TPMS Diagnostic Tool allows you to activate, read, diagnose and service all major OEM and aftermarket sensor brands. This tool expands on the robust features of the TP47 by offering new software features such as OBDII capabilities, OBDII relearning procedures, and Sync ID. Other software features include the ability to perform ECU unlocking and placard adjustments, and the new programming feature lets users retrieve vehicle IDs from the ECU.

**£360****RLink Lite****Your All-In-One OEM Diagnostic Solution**

The RLink Lite, a product independently developed by TOPDON, is a versatile diagnostic tool empowering users to achieve OE-level diagnostics for a wide range of vehicles. Featuring a user-friendly 5-inch LCD touchscreen, this diagnostic device operates smoothly.

**£750****Phoenix Mobile ADAS****Built for Precision and Maximum Coverage**

The Phoenix Mobile ADAS is a foldable, portable calibration tool for modern vehicles. It works with TOPDON Phoenix scanners and is perfect for shops handling repairs like windows, bumpers, and alignments. Available in Basic, Deluxe, or MAX kits to match your needs.

TOPDON**TOPDON****Topdon TC001****The Dark Has No Secrets**

TOPDON's TC001 is a portable camera that turns your Android smartphone/tablet or Windows laptop into a powerful thermal imager. Simply download the accompanying app, slot the TC001 in your device's USB-C port, and unleash thermal technology that formally only belonged to special forces.

Perfect for home inspectors, HVAC technicians, electricians, automotive technicians, and even farmers looking to protect crops and livestock.

£215**Topdon TC002****Built For Mobility**

The TCView Series turns your smartphone or computer into an infrared thermal camera. With an ultra-high IR camera resolution of 256x192, these devices infrared thermal camera can display a thermal picture of your target with high resolution and clarity, delivering great image quality.

The TCView Series can take continuous measurements of a scene, storing the data and generate a waveform graph.

£190**Topdon TC002C****Designed For iOS Type-C Devices**

Introducing TC002C, a specialized thermal imaging camera crafted specifically for iOS Type-C devices like the iPhone 15 & iPhone 16 Series. Offering exceptional precision in temperature detection, insulation inspection, and circuit board analysis, TC002C is your reliable companion for diverse applications. Boasting an impressive resolution of 256x192, it captures thermal imagery with unparalleled clarity and detail.

£240**Topdon TC003****See More Than The Human Eye**

The TC003 is a cutting-edge thermal camera that provides high-resolution thermal imaging to a wide audience. With its advanced features, the TC003 delivers high-quality imaging (256x192), exceptional temperature sensitivity (40mk), and unparalleled accuracy (down to 0.1°C). Additionally, the TC003 boasts a 5-inch touch screen, a 5-megapixel visible light camera for overlapping images, and temperature waveform graphing.

£357.50**Topdon TC005****Built to Last**

The TC005 is a handheld thermal camera that measures an expansive temperature range. From -20°C to 550°C (-4°F to +1022°F), and offers a 12-hour runtime. The high-resolution 256x192 pixel infrared camera allows you to say goodbye to blurry images. The tool is ready for analysis with the standalone and the PC modes, enabling users to project and upload images from the TC to their PC.

Added benefits include 7 options for Pseudo-Colour Display and a 2-megapixel visible light camera

£350**Topdon TS001****Sharp Focus, Close or Distant**

Experience unparalleled clarity from near to far with the TS001, a long-focus Android thermal imager designed to capture sharp images, even for objects as close as PCB boards. With a high-resolution 256x192 pixels infrared sensor and a smooth 25Hz frame rate, every detail is captured with precision. The TS001's adjustable 9mm lens covers distances from 0.32 to 1640 feet (0.1-500m), catering to various applications including building inspections, animal observation, auto repair, and PCB inspection

£275**Topdon TS004****Be Bold, Go Wild**

Embark on wild adventures with the TS004, a thermal imaging monocular engineered to reveal the unseen, even in total darkness. It sees through fog and dense vegetation, revealing wildlife, people, and objects with ease.

Tailored for outdoor enthusiasts, farmers, and zoologists alike, the TS004 empowers you to observe wildlife, navigate trails, camp under the stars, or conduct search and rescue missions with confidence.

£382.50**Topdon TS005****Explore Like a Pro**

The TS005 is an advanced thermal monocular designed for professionals in wildlife monitoring, search and rescue operations, outdoor adventures, and law enforcement.

Whether in the autumn chill or the depths of winter, this robust device delivers consistent performance, allowing you to focus on your adventure with confidence and immerse yourself in the thrill of discovery.

£1,332.50**5YR LEASE £7.07 PW****Video Scope****Nothing Can Hide From You Now**

The Video Scope is a Mobile Phone Bore-Scope. The device has 360° accurate articulation with joystick control, and the maximum bending angle is 210°, which allows users to inspect narrow space and pipelines. With a 1 mega-pixel probe camera and single button to take photos and video, it can transmit vivid, clear and all-round video and images to the mobile phone through the data cable.

Used in auto repair to inspect hard-to-reach areas like evaporators, chambers, and pipelines.

£219

TOPDON**TOPDON****Tornado120000****Essential Battery Stabilisation**

The T120A ensures a stable and reliable power supply for prolonged diagnostic sessions and ECU programming tasks. This capability becomes especially crucial when working with luxury vehicles such as BMW and Benz, where the T120A's maximum current of 120A comes into play. Say goodbye to interruptions caused by fluctuating power sources. The T120A delivers voltage and current consistency to keep your operations running smoothly.

£895**Tornado90000****Your Battery's Bodyguard**

The Tornado90000 is TOPDON's newest cutting-edge smart charger, made for professional and commercial users. This device is suitable for all types of 12V and 24V lead-acid batteries, with a wide battery capacity range from 5 to 90 amps. The Tornado90000 features a current/voltage edit function and supplies users with the needed protection for batteries through its 9-step smart charging method and 6 charging modes.

£625**V3000****Power Beyond Limits**

The V3000 is a high-performance 3000 peak amp jump starter. It's designed to reliably start 12V vehicles, including cars, SUVs, trucks, pickups, and RVs, with up to 9.0L gas and 7.0L diesel engines.

Whether you're a first-time driver, senior motorist, weekend adventurer, or seasoned pro, the V3000 delivers the power, versatility, and reliability you can count on.

£165**V4500 Plus****Road Ready Starts with a Battery Check**

Designed for professional and high-displacement vehicles, the TOPDON V4500 Plus delivers a peak current of 4500A, jump-starting semi-trucks, trailers, off-road vehicles, and boats in seconds. With up to 45 jump-starts on a single charge, it's always ready for action. The V4500 Plus also enhances your driving experience with features like battery testing and monitoring via our app, super-fast smartphone charging in 25 minutes, and 500 lumens of light.

£207.50**V2200 Air****Instant Ignition, Anywhere You Are**

Introducing the V2200Air, the ultimate all-in-one solution for every car owner's emergency needs. This versatile device allows you to jump-start your car, inflate your tyres, charge your devices, and illuminate your surroundings with ease. Stay prepared for any situation and drive with confidence, knowing the V2200Air has you covered. The V2200Air delivers a powerful 2200A peak current, capable of jump-starting vehicles with engines up to 8.0 liters for gasoline or 6.0 liters for diesel in just 2 seconds.

£140**V2200Plus****Boost Dead or Damaged Batteries**

The V2200Plus is a 2-in-1 jump pack and battery tester that takes on the unexpected. Offering 35 jumps on a full charge, smart clamps to protect against common safety hazards, and features a 300-lumen LED light. A built-in Bluetooth module supports 12V battery tests by pairing an app with Bluetooth. This provides cranking, and battery test reports to let you replace a battery before it dies. The V2200Plus can even act as a charging brick for small devices.

£115**V1500****Boost your battery into life**

TOPDON's V1500 leads the way as a portable jump starter, delivering 1500 peak amps for instant jump-starts. Quickly and safely jump 12V lead-acid batteries in seconds for cars, boats, motorcycles, and trucks with up to 6.5L Petrol or 4.0L Diesel engines. The V1500 doubles as a power bank for phones, tablets, and other devices, and can also supply power to 12V DC devices. Use the V1500's boost function to jump particularly difficult batteries.

£62**BT300P****Precise, Durable, Capable**

TOPDON's BT300P is our newest 12V lead-acid vehicle battery tester with a Built-in Printer. It can test 100 to 2000 Cold Cranking Amps (CCA) batteries. It's compatible with Flooded, AGM, GEL, and EFB batteries; and has accredited standards including: CCA, JIS, EN, DIN, SAE and IEC. The BT300P is able to test a battery's actual CCA value, state of health, cranking system, and charging system.

£82.50**BT600****The Next Step for Battery Testing**

The BT600 is TOPDON's newest advanced battery tester for 12V vehicles. With a 3.5 inches color screen and a built-in thermal printer, this tool offers the ultimate solution for accurate, fast, and convenient testing. It allows you to easily view the battery's condition and print test reports in real-time. The BT600 adopts a cutting-edge conductivity testing technology and includes reverse polarity protection to prevent improper connections.

The MS908S3 is a professional-grade automotive tool designed to deliver comprehensive OE-level diagnostics across a wide range of vehicle makes and models.

- ✓ Android Operating System
- ✓ Extended 2 Year Warranty
- ✓ 2 Years Software Updates
- ✓ Ongoing updates at £799 excl. VAT
- ✓ Upgradeable to Secure Gateways
- ✓ Upgradeable to IA600 ADAS
- ✓ Remote Expert Compatible

The MS908S3 is equipped with a powerful octa-core processor and a **10.1-inch** TFT-LCD capacitive touch-screen, which ensures swift diagnostics and optimal viewing.

This advanced system offers **extensive coverage** for American, Asian, and European vehicles, providing functionalities such as code read and erase, live data streaming, ECU information retrieval, bi-directional active tests, and special functions.

One of the stand-out features of the MS908S3 is its support for the latest communication protocols, including **DoIP** and **CAN FD**, enabling it to interface with modern vehicle networks effectively.

The tool also includes over **40 popular service functions** and offers ECU coding capabilities similar to those found in the MS908ProS model. Additionally, it provides VAG step-by-step service guides, enhancing its utility for technicians working with Volkswagen Group vehicles.

The MS908S3 also comes with **two years of free software updates**, ensuring that users have access to the latest diagnostic capabilities and vehicle coverage.

This commitment to ongoing support makes it a **valuable investment** for workshops and technicians seeking a reliable and up-to-date diagnostic solution.

The MS908S3 cannot be used with the EV Expansion Pack or the IA900WA. Please see the Ultra S2, MS919 or MS909 if you require these features.

* An up-to-date software subscription is required to access Secure Gateways, DoIP and CAN-FD.

The MaxiSYS MS906SMAX is a **Professional-grade diagnostic tool** designed to enhance efficiency and performance in modern automotive workshops. Powered by an octa-core processor with 128GB storage and 4GB RAM, it delivers fast and reliable operation for all diagnostic tasks.

Utilising cutting-edge **AUTO SCAN 2.0 technology**, the device performs swift, all-system diagnostics, managing diagnostic trouble codes (DTCs), freeze frame data, and real-time vehicle monitoring. This streamlined approach makes it invaluable for both pre- and post-repair scans, saving time and ensuring accuracy.

Versatility is a hallmark of the MS906SMAX. It features over **40 maintenance functions**, including oil light resets, DPF regeneration, steering angle sensor calibration, airbag resets, and brake bleeding procedures. The system includes the Bluetooth-enabled MaxiVCI V200 interface, which supports **advanced protocols** such as DoIP and CAN FD. This ensures compatibility with modern vehicles, allowing seamless communication for even the most complex systems.

The MS906SMAX also offers advanced capabilities that set it apart. Its **bi-directional control**, coding functions, and adaptation procedures are indispensable for contemporary vehicle diagnostics.

These features allow technicians to conduct thorough checks and make precise adjustments as needed. The device supports Wi-Fi printing and enables report sharing via QR codes, text messages, or email, ensuring **smooth integration** into workshop operations. This ease of use and connectivity improves productivity and communication within teams.

A new era: The hands-free revolution

AXONE VOICE is the first hands-free solution in the world of multi-brand and multi-environment diagnosis. It is a tool that adds the benefits of fixed workstations (power of calculation, size of the screen and possibility to be powered continuously) to the ones of portable diagnostic devices and increases their potential thanks to the innovative ways of interaction that you can get the most out of for your work.

Texa RCCS 3 EVO - ADAS: Radar & Camera Calibration Kit

Easy to use, precise and reliable: For the calibration of radars, lidars, cameras and sensors, TEXA has designed & engineered RCCS 3 EVO, a top of-the-range solution that includes the best production technology and exceptional components.

The version allows a wide range of possibilities of use: it can be used with the toe and thrust axis check kit, or in optical alignment mode. The Bluetooth distance measurers, which can communicate directly with the IDC6 software, make sure the unit is positioned properly by means of a guided procedure.

Thanks to the great ease of use & accuracy of the RCCS 3 EVO system, you can work in an even more simple & precise way, guaranteeing the accuracy of the final result and maximum safety both for the driver & for the technician performing the calibrations.

SCISSOR LIFTS FROM HOFMANN MEGAPLAN

TSX 3200-2 Mid-Rise Lift

Price only...

£3,495

5YR LEASE £18.55pw

Featuring extendable platforms for universal vehicle coverage, the 3,200 kg capacity mid-rise TSX3200-2 is ideal for fast tyre replacement and brake service work. The SureFast locking system allows you to position the lift at any height, rather than the normal but limited pre-set heights. It also provides a speedier 'start/stop' movement of the lift.

- Sleek ultra-low profile design, no in-ground installation required
- Double master/slave hydraulic circuits for added safety
- "Magic Eye" photocell assures perfect synchronization
- Emergency manual lowering in the event of power loss

VSX 3500 LP Full-Height Lift

Boasting a 3500KG capacity, the VSX3500-LP full-height scissor provides a completely clear area for working between structures. The SureFast locking system, allows you to position the lift at any height, rather than the normal but limited pre-set heights. A manual emergency lowering system in the event of a power outage and a neat, compact control console complete the high specification.

- Sleek, ultra low-profile design, no in-ground installation required
- Double master/slave hydraulic circuits for added safety
- "Magic Eye" photocell assures perfect synchronization
- Includes 4 x Rubber Blocks

Dama Wheel Alignment 4T & 4.5T Scissor Lifts

A perfect option for a service or wheel alignment lift where space is restricted, this 4t capacity service and wheel alignment lift has rear slip plates, integral scissor lift and removable fillets to fit front turnplates.

One of the real advantages of this lift is the suitability to surface mounting, with a minimum height of 240mm and long lightweight run on ramps, it enables this lift to be used without excavation. An added benefit on the HDM4.5MSR is that it can also take a jacking beam as an option. (Not available on the HDM4.0MS)

SILVER

Tyre Changer: **HDM186TID** | Assist Arm: **AA320D**
Wheel Balancer: **HDMB60B**

The Silver and Silver Plus packages enhance the Bronze entry-level tyre changer by adding tubeless tyre inflation, ideal for handling run-flats, low-profile tyres, or tyres with collapsed sidewalls. The HDM186TID 230V tyre changer includes an assist arm, tilting column, dual rotation, a 26" turntable, alloy wheel protection, and powerful tubeless inflation. The HDMB60B wheel balancer offers quick and accurate balancing with static and dynamic options and three alloy wheel programs.

The Silver Plus package upgrades to the HDM3020B balancer, featuring advanced functionality, more balancing programs, and a smart program for automatic program preselection, providing a higher-spec option for demanding users.

BRONZE

Tyre Changer: **HDM186D** | Assist Arm: **AA320D**
Wheel Balancer: **HDMB60B**

The Bronze tyre package offers comprehensive features for a very competitively priced entry level tyre changer and wheel balancer which are ideal for low volume users. Whilst the purchase cost is low, the HDM186D & AA320D tyre changer bristles with high end features, including assist arm, tilting column, dual rotation, large 26" turntable, and alloy wheel protection.

The standard wheel balancer offers quick and accurate balancing with static and dynamic balancing options with 3 alloy wheel programs, ensuring wheels can be balanced in seconds. The choice of balancers in the Bronze and Bronze plus packages gives customers the opportunity to upgrade to a higher spec balancer with increased features and functions, including the smart program that preselects the program for the particular wheel & tyre.

Lampcheck II Headlight Aligner (Class I to VII)

The Lampcheck II offers leading edge specifications with dual laser alignment for speed and accuracy. These advanced beamsetters have a laser in the centre of the screen which highlights the centre of the headlight and enables reliable height positioning of the screen to the headlight. The second high quality Laser is positioned at the top of the mast to achieve accurate longitudinal aim.

LAMPCHECK2

**Lampcheck 22 Electronic Headlight Aligner MOT Approved Digital Electronic Headlight Aligner**

Capable of testing, aligning & adjusting all types of headlight including... Traditional, Digital, LED & Matrix. The new Lampcheck 22 Electronic is one of the first Electronic headlight aligners to be approved by the DVSA for all classes of MOT bays. The new design meets all the requirements for MOT bays including visual window, traditional pattern screen and calibration but also has the latest imaging camera technology, built in PC tablet and latest software to test and adjust the new headlights such as Digital, LED, Matrix and DLC.

ONE-KEY™ HIGH TORQUE IMPACT WRENCH WITH 3X 5 AMP BATTERIES

- The M18 FUEL™ high torque impact wrench with ONE-KEY™ technology delivers 1356 Nm of fastening torque in a compact size of 213 mm, which gives more access in tight spaces
- The 4 -Mode DRIVE CONTROL allows the user to shift into four different speed and torque settings to maximise application versatility
- Mode 4 bolt removal, provides a maximum nut-busting torque of 1898 Nm then shifts to 750 rpm for outstanding control when removing fasteners
- The integrated blow counting sensor enhances the consistent repeatability of the chosen torque setting
- ONE-KEY™ tool tracking & security offers a free of charge cloud-based tracking network and inventory management platform for your tools. ONE-KEY™ also features a remote locking functionality. Customisation function allows for precise tool adjustment to application
- The DNA of our FUEL™ platform redefines the balance of cordless technologies. MILWAUKEE's POWERSTATE™ brushless motor, REDLITHIUM™ battery pack and REDLINK PLUS™ electronic intelligence delivering outstanding power, run time and durability
- ½" friction ring reception

£445.00

M12 FUEL™ BAND FILE 10 MM

- Lightest cordless band file on the market, only 1.0kg with a 2.0 Ah battery
- Outperforms pneumatic competitor while providing better balance
- 2 speed modes and variable speed trigger provide maximum control from taking down welds to precise work with inox, aluminium and wood
- Reverse mode allows the user to choose the belt orientation to manage the direction of sparks/ chips
- One-hand design allows working in tight areas and ideal for overhead work
- 360° tool-free head adjustment allows the best handling for each working environment and provides compact storage
- Dual action safety trigger with lock-on function for less user fatigue during longer working periods
- Tool-free belt change
- LED lights up your work area for better visibility
- The DNA of our FUEL™ platform redefines the balance of cordless technologies. MILWAUKEE's POWERSTATE™ brushless motor, REDLITHIUM™ battery pack and REDLINK PLUS™ electronic intelligence delivering outstanding power, run time and durability
- Flexible battery system: works with all MILWAUKEE® M12™ batteries

MWM12FBFL10-0

£161.95

M12 FUEL™ ⅜" STUBBY IMPACT WRENCH WITH 2X 5 AMP HIGH OUTPUT BATTERIES

- Best in class power: 542 Nm of fastening and 745 Nm of nut-busting torque to tackle most common applications
- A weight of 1 kg without battery and a length of 122 mm means better access to tight spaces and less user fatigue
- 3,000 RPMs for exceptional application speed
- 4-Mode DRIVE CONTROL allows the user to shift into four different speed and torque settings to maximise application versatility
- Trigger mode selection for easy one hand selection of speed settings
- Tri-LEDs for shadowless work area illumination
- The DNA of our FUEL™ platform redefines the balance of cordless technologies. MILWAUKEE's POWERSTATE™ brushless motor, REDLITHIUM™ battery pack and REDLINK PLUS™ electronic intelligence delivering outstanding power, run time and durability
- Works with all MILWAUKEE® M12™ batteries, max torque only achieved using 5Ah high output batteries
- Includes: 2x 5Ah High Output Batteries, Charger and HD Case
